1. My people who know Me in the wee hours are the ones who know Me well, will be the ones who know Me well, are the ones who know Me. The ones who come and come in the wee hours that value Me enough, that value My words, that value time with Me, allowing Me to speak and come in the wee hours; those will I reward. Those will I kiss, those will I lay My hand on their breast who come and call and conquer and lay their head on My breast, not just in convenience, but clock-conquering times with Me. I love you. Those who will let Me speak when they believe I want to speak, those who will let Me speak when I call, when I ask, when I seek, when I knock; will they let Me in, will they let Me out? Will you, oh reader/hearer let Me in, let Me out? Will you let Me grow, let Me speak, give Me voice, space, place in your life, in your busy schedule with so much busyness? Or will I continue to be relegated to a distant past or a distant future, or a goal here, there, somewhere, a thought-inconvenience?
2. My latter rain comes to those who come to Me in convenience not, but in clock-conquering faith, trust, belief, and high dive with Me in the wee hours. I love you. I love you and I give you Me.
3. I give you Cadillacs, pipe-dreams, and platitudes not. I give you substance of sinew, I give you revelation, I give you truth, I give you Me and I look headlong into you, into your eyes with My eyes wide open, into your eyes wide open; and I kiss your mouth, I stroke your hair, I touch your hand, intimacy of purity, purity of intimacy of only Me. That which I reveal in the wee hours, the ones who will come, the ones who will conquer, the ones who will conquer My heart in love, in love, in love, self-promotion none. The who just want to know Me for who I am, who know I am inside, who know where I reside, who know what I have for them with My name on their foreheads, who come to reveal Me to them and let Me reveal Myself to them in fullness, wholeness, completeness, residual-ness not: completeness, wholeness, loveliness, and beauty; changing all attitudes, values, behavior; all on bedrocks of peace, bedrock of peace, foundational bedrock of peace. **Knowledge, wisdom and understanding** embrace in truth, on truth, permeated with truth, **reverberating in each other.** See Me. I love you. I give you Me. I reverberate and reside in you now, and reside in you I do, and increase now and forevermore. I love you.
4. Give Me your more. I give you My all. I give you My all. My appetites. My coffee. My time. My words. My touch. My truth. Will you give Me yours in fullness more? Will I not speak pages and pages, chapters and volumes before breakfast, before lunch? Yea, have I not said much of this before?

5. I come and I call and I repeat for I emphasis. I repeat, and I teach, and I repeat and I emphasize and I hedge My values, My behavior, My truth, My clock-conquering, disease conquering, water-walking, crowd-slipping, truth, ability, reality, physical-ness of Me into you, into repetition with Me, My fullness in you complete and released, complete, released, completely released, totally, fully, completely, absolutely released, all there, all inside you the power, the Godhead bodily; My three-in-one, My one-in-three, My divisive not, operating in oneness, fullness, in power, cracked not, splitable, unknown, unthinkable, undoable, Me and My oneness all conquering.

6. Come to Me more My all-conqueror, come all-conqueror and all-powerful be with Me, All-Power: one, operating in all authority. All authority'd ones, My coming to you, you coming to Me in the wee hours.

7. Will you let Me speak? Will you let Me come? Will you let Me ask you what you want in the wee hours with no one else around in solitude of only Me? Being not alone but in My presence, warming each other. I love you. Intimacy with Me: I see you, see Me, see Me see you, let us recognize each other in the fullness that we that we are in each other, the fullness of the Godhead, Me, one; Father, Son, Holy Spirit in you; we, you, one together. Yes, power authority given, no headship except Mine. Drink offering before Me for all empowerment released, outcome all Mine. I love you.

8. I give you Me and **I give certain things in wee hours only,** no distractions, no distresses, no detractors barging in. You, who I love with all My heart, I love you.

9. I arm you this day with power and glory and significance for confidence has come and confidence has conquered. **And confidence now is based on only Me, My truth, My revelation and not principles; not even principles correct, for principles can never have the power of My affection, the authority of My intimacy, or reproduce issue of Me in the loveliness of beauty that I truly am.** Synergy stripped out so easily, thinking they have everything and yet everything is about intimacy with Me; oneness with the Father, oneness with the Son, one in the Spirit, three in one. I love you.

10. I give you Me. I walked the earth, I walk the earth, I walk you now in the cataclysmic halls of accord not, but discord, those who in disarray rankle now, in peace not; un-peace, that which now in them has disallowed what I have given you so carefully, so painfully; but with so much pleasure as you have come, come consistently, come continuously, day after day withholding nothing from Me, opening your heart, begging for obedience, begging Me to help you obey Me, begging Me, crying out for Me. Yea, week after week, month after month, year after year to know My voice and not be deceived, calling, crying out for correction. And, yea, **knowing finally that judgement is required for maturity in Me.** My judgements are pure and true and everlasting, everlastingly grace-filled. I love you.

11. My tree of righteousness comes more and more, power and authority already given. Eat of My tree, My young ones, My old ones thought, My all beginning, only beginning now ones. I love you.

12. See what I have said in My phrases, My connections of only Me. I love you and I bow My knee to you. Yes, I bow My knee to you and I wash your feet, I cleanse you. I accord you with Me as you come and you **yield to Me in your diction, your grammar, your words, your phrases that you simply yield, yield to Me and let Me speak**, knowing that I know full well what you have, what you don't. Tossing not out even the error-filled, would-be prophet. I give you Me.

13. Those who now, who come and come in the wee hours I embrace, who come, who conquer, who conquer clocks thought so powerful, time irreversible, in-delineate-able: I tell you I come and I call and I am time.

14. I created, I created time, I created you and you came through Me and you who disregard these words and disregard My call to intimacy, you I will conquer with My love for now, for later, for every knee shall bow and every tongue will wag not, but speak in loveliness, recognition of only Me, My beholdment, My ultimate, My unrecognizeable by those who want to know Me thought, but yet who don't come and whose values don't change, and whose behavior yields the world's norm. I love you anyway, I love you all, I have given you My all. I have restrained so little. **I await your words; I await your open-ness of heart; I await you opening your ability to learn from Me and not close Me out**, seeking to learn only from man, mere man.

15. Mere man or Me God; choose your teacher this day, choose wisely. Choose your future and whose table you eat at and where you will succor and suckle and enjoy and exchange; for exchange you do where you are, where you are open, where your gates are open, un-tethered openness, reveals Me or not Me. I love you.

16. My Stephen stoned, walks with Me. Many who came to Me stoned, sawn asunder, who live and reign with Me now, who walk with Me, who walk the earth.

17. See Me. See Me and yield to the power of surrender. Surrender to My power, grace and glory and walk in the miracles that I have already given, provided and, yea, forced not, directed not, but accorded into the significance that I have called you in to this day.

18. You, you who read this, you who write My words, you who speak My words, you who resist Me not, but intertwine Me to every facet of your thought; being, doing, cataclysmic synergy, cackling not but concretizing, solidifying, receiving, being tangible results and display of only Me. I love you. I give you Me and I heal you, I heal many, My healing comes, arises, rises, rising up through My young, My leaders, My ewe lambs even. I love you.

19. Cataclysmic accord not, the sword drawn, the battle forays emerge in infamy not, foretold, forestalled not, coming, as is, is, as now. I love you. I give you Me. I forestall provision not, all provision made now, substance of only Me coming before you, mammon bowing, doing it's work, servant of only Me.

20. I love, I arise, I call, I conquer My heart, your heart, one heart. I love you, I give you Me. Goodnight.

21. Grace, grace and glory, grace, glory, grace and glory of only Me to only you, My clock-conquering faithful ones who know Me in diligence, discipline and delight, delight, delight. I thank you. Goodnight.
